Digno sales team took the time to really understand our business model and market to strategically direct us on everything right from introducing a design to promoting and creating brand awareness for the same. Digno team has really taken their role seriously, not only as our suppliers but also as our marketing partners and we look forward to continued success in working with them.

AEDWIN KAHLER
EUROPE

We wanted to change the way our stationery industry view and purchase their school/office writing instruments and we knew we needed to channel the power through some strong company who can back us up, in case if needed, and provide us that extra helping hand in terms of support to promote and achieve our growing market demands. The smart and creative sales team at Digno has helped us to launch and establish a successful product with brilliant colour & quality. Digno's extensive research into our market has helped us to turn our vision into a reality. Guys, keep up the good work!
